In order to host a qualifier, we need the producers to be able to meet certain requirements.

1. All Qualifiers must be held prior to September 25th, unless approved.
2. All Qualifiers must have two (2) timers - an official timer & backup timer; a barrier judge; as well as a flag man.

4. The name and contact information of the cattle producer must be submitted for approval.
5. Producer would need to submit an event flyer/entry form etc. to be approved before sharing or posting.

Flyer/entry form/posts should include -

- all the appropriate WRP logo(s) & the Junior NFR logo (provided)
- date, time, and address of event
- "Webb Roping Productions membership and sidepots must be purchased online prior to competing to be eligible to qualify for the Junior NFR at www.ucroping.com (click on Junior NFR logo)."

Team Roping:

- 2 divisions - #10.5 & Open
- Must have a global handicap classification
- 12 Qualifying events with top 2 teams moving on to Vegas

- 1) The entire timesheet of all the ropers and their times (in Excel)
- 2) The result sheet showing each round, short-go, & average winners through however many places you pay.

A blank excel timesheet & result sheets can be provided if needed.

If my schedule allows, I could possibly come and assist with the event, if needed.

Upon approval, we will -

Post your event information on our website and social media platforms.

We will set up the online side-pot & membership links for your event and share them with you.

We require a one-time \$100 membership fee & a \$100 side-pot fee per entry (all collected online) to be eligible to qualify for the Junior NFR.

We would provide you a list of ropers entered in the side-pots for you to post prior to the start of the event to communicate who is eligible to qualify and/or receive points.

The memberships and side-pots must be purchased online prior to competition. We set a deadline the evening or two before your event to close the side-pots. We then provide you a list to post at your event for all to see who is entered. We do however allow grace to those that miss the deadline.

If they miss the deadline, we allow them to text the Roping Secretary at (972) 978-4814 with the Event, Roper's Name, age group, & how many entries. She will verify that the age division has not already started. Then she will provide them a password to enter the side-pot online and then communicate with the onsite secretary to add the roper to the list of ropers eligible to qualify and/or receive points to qualify.

We will assist in determining the ropers that will be awarded a qualification and we will award the points.
